

CRITERIA FOR AMBASSADORS

Ambassador must be:

- Undergraduate student of any Biomedical Department or a young physician under the age of 30, with priority for medical students
- A person who speaks satisfactory level of English (B1 or higher)
- A person that has a Facebook and/or Instagram account in order to post promotional material
- A person that has some time per week to devote to OSCON and to spread the information about congress to their fellow students, promote it through social media and communicate with the Ambassador Coordinator of OSCON

Candidate must provide:

- Filled application form
- Short CV

Advantages for the ambassadors:

- The ambassadors get a 20% discount (on the participation fee) for their own submission for the first subscription done with their referral code
- Every next submission with their referral code will increase their discount by 15% (of the total amount of participation fee - discounts are added together and a total discount is a percent of the price that will be removed from participation fee)
- 6 submissions with your referral code will equal to a free congress submission for the ambassador
- The three ambassadors with the largest number of submissions with their referral code will be awarded special unique prizes
